Agile and Scrum Experience

* Learning or lightly familiar

Education

National Integrated College

Graduated High School

2006

Experience

Yeti Studio

Product Designer / December 2019 - January 2022

Designed wireframes and prototypes of hospitality management system with the goal of delivering a better experience to our customers. Worked with analysts to discover potential tests and identify improvements for our customer journey. Helped create and maintain the UIs of two internal systems. Was part of a design systems team with the goal of building a new and scalable design system for the Yeti Studio core products.

Dryice Solutions

Design Lead / April 2019 - November 2019

Managed all aspects of the design process, from research and ideation, to creative conceptualisation and design. Collaborates with stakeholders to research and develop cohesive design plans, concepts and prototypes.

Fusemachines Nepal

UI/UX Designer / Nov 2017 - April 2019

Created user interface for apps and websites. Collaborated with product managers and engineers to gather requirements from users before designing ideas that can be communicated using storyboards. Created flows and wireframes for applications.

Cloudyfox

Sr. Frontend Developer / February 2017 - November 2019

Created website's layout and integrate applications, graphics, and other content. Developed the design in webpages using HTML, CSS and jQuery.

EBpearls
